ACTION RADIOTHERAPY

WATCH LIVE OR WATCH LATER!

You're invited to join:

LATE EFFECTS OF RADIOTHERAPY

A PATIENT'S PERSPECTIVE

With Rhea Crighton

Former radiotherapy patient and
Pain Clinical Nurse Specialist in
South West, UK

THURSDAY NOVEMBER 19th 7 PM GMT

This webinar aims to raise awareness of radiotherapy late effects. The content will focus on pelvic radiotherapy and is based on Rhea's own experiences. We will be bringing patient and clinical expertise together for a power-hour of insight and learning.

Dr Lisa Durrant

Macmillan Consultant Radiographer
Radiation Late Effects Service
Musgrove Park Hospital, Taunton

Dr Helen Ludlow

Macmillan Nurse for Late GI
Effects of Cancer Treatment
Cardiff & Vale University Hosptial
